Limited Lifetime Warranty³

The strongest in the industry, Heatilator provides a limited lifetime warranty on wood-burning products of the most important aspects: firebox and heat exchanger.

¹ See your local authorized Heatilator dealer for help in determining the product that best suits your heating needs based on climate and home efficiency.

² Required for installation

³ For full warranty details go to heatilator.com.

The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace glass and other surfaces get extremely HOT and can cause severe burns if touched. Do not remove the protective safety screen from the front of the glass. Keep a safe distance away. To learn more visit www.fireplaces.com/fireplacesafety
