

Transform your bathroom

You'll find there are many options to choose from and many decisions to make as you consider what type of shower enclosure is right for you and your home. All these decisions can be overwhelming... but not with MIG.

The following pages illustrate our two key product categories. Depending on your style and budget, you can get an idea of the one that best fits your needs. Afterwards, we invite you to come in and talk with one of our specialists at our hands-on showroom. We'll walk you through each and every aspect of your selection (style, color, finish, glass type, hardware), making sure you're 100% comfortable along the way.

"Upstate New York's Best Kept Secret"

Luxury Frameless

\$1500 – \$4000

The Ultimate in Shower Enclosures.

Frameless heavy glass shower enclosures are the hottest trend in today's shower market – sleek, elegant and built from the most durable, long-lasting materials.

Not available in any store, they are custom crafted to guarantee a perfect fit. One of our installation specialists will personally measure, design and construct each glass section of your enclosure.

Create the illusion that your shower has no door at all. This feeling of openness is available to meet any budget.
